Christadelphian Eastern Winter Study 2024 - Volunteer Help Form

Name(s).....

Ecclesia.....

In order for the event to run successfully, please indicate in which areas you are willing to help. Please volunteer for as many things as you are able; you probably won't be asked to do all of them!

President - to preside at one main session.

Doorkeeper - to doorkeep at main session(s).

Lead daily readings - to ensure group reading session starts and finishes on time, opening with prayer and initiating discussion as necessary.

Kitchen Supervisor - duties include taking the lead on preparing, cooking and serving one meal from a pre-arranged menu, as advised by the catering leader.

You will have a team of volunteers to assist you.

Short thought - a maximum of 10 minutes, on a theme of your choice, for use at either the beginning or end of the study.

Evening presentation - An opportunity to hear from another presenter, and to consider something lighter and different from the main studies. We have no set view on topics and are open to any suggestions, but here are some ideas: updates from Bible Mission areas, aspects of Christadelphian history, a music-based evening, non-Biblical topics which have a connection with our beliefs or community activities, devotional evening, or general Bible topics. We also welcome typical Bible class subjects, if you have something you would like to present. For all suggestions please give a very short resumé in the appropriate box.

Children's activities - depending on the breakdown in ages of children booked in, to lead/assist at one lesson on a given theme or leisure activity.
